Issue 1

Sign

At the last Association meeting, I went over the sign and showed the mock-up that Custom Signs provided. (Below)

Thank you to Tuan Newlin and Marilyn Crewe for going with me to Custom Signs to see how the sign is going to be made and to start picking out the stones for the columns and deciding on colors. **Dan Cameron**, owner of **Custom Signs** is going to create another partial mock-up for us to make a final decision on colors.

Our new sign will go over our existing sign. The stone that is there now will be removed and relocated to another area, as well as the landscaping, except for the bushes. New lighting will go in to complement the new sign. On the columns the LR will be engraved into an opaque material with a light behind the LR. The lettering for our association name will be engraved into the sign; so we will not have any letters for anyone to steal.

Hopefully, you will start to see our sign going in late Spring, depending on the weather.

Board Members

At the Annual Association meeting, we voted on Board Members; Courtney Ulrey is Vice President, Tuan Newlin is Architectural Chair, Jerry Dorsett is Maintenance Chair, and Lara Dorsett is Treasurer.

We are in need of a new President and Secretary for our association. If you are interested please call at 489-9155.

Website

Our website is up and running, visit laurelridgehoa.com

Thank you very much to **Pete** and **Amber Nowak** at **8thdaydesigns.com** for making this all possible and for working so hard to bring this to life. They designed this at no cost to the association; they only asked to be able to advertise on our website. You will be able to download your dues form, look at newsletters, by-laws, architectural policy, covenants, download the architectural form, and there is a market place to post if you have an abundance of vegetables you would like to share with your neighbors or your son or daughter would like to post for babysitting, etc. There will be a form to fill out for the market place and approved before the posting would go into the market place. Plus, there will be a calendar of events.

Spring Garage Sale

For all of you that are looking forward to Spring Cleaning, mark your calendars for the Spring Garage Sale on Thursday, Friday, and Saturday, May 6th—8th. This will coincide with the Falls of Keefer Creek Garage Sale.
